The day after Labor Day – October 15th

We are not responsible for items left on the boat, as some boats may be immediately rented upon return.

We ask that you monitor the weather and plan accordingly. We cannot be held responsible for the weather forecast.

We provide adult life jackets. If you have children on board, please bring a properly fitting life jacket for them if available. It is a state law in Virginia that all children **12 and under** must wear a properly fitted life jacket when the boat is underway. We do have life jackets available for purchase in the store.
